Memorial Tree Planting Program

The Friends of Presqu'ile Park are pleased to provide the public with an opportunity to plant a tree in Presqu'ile Park in remembrance of a loved one or to mark a milestone event.

Donors will make a minimum donation of \$100 per tree and will receive an income tax receipt for the full amount. A deciduous (e.g. maple) or coniferous (e.g. pine) tree can be chosen, based on availability. Trees planted will come from the park's own nursery, grown from seeds collected in Presqu'ile. The trees planted will help regenerate Presqu'ile's forest.

During the third weekend in April and the third weekend in October, memorial trees will be planted in the presence of the donors. Tree planting will be performed by park staff, who will choose the planting location. As the memorial trees will be part of a natural forest, they will not be labelled or replaced if they die.

Donations can be made online via the Canada Helps website or by cheque. Donation forms are available on the Friends of Presqu'ile Park website.
