

THE FRIENDS OF PRESQU'ILE PARK

FINANCIAL STATEMENTS

December 31, 2019

INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Directors of
THE FRIENDS OF PRESQU'ILE PARK

We have reviewed the accompanying financial statements of **THE FRIENDS OF PRESQU'ILE PARK** which comprise the statement of financial position as at December 31, 2019, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of **THE FRIENDS OF PRESQU'ILE PARK** as at December 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

**THE FRIENDS OF PRESQU'ILE PARK
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2019**

1. PURPOSE OF ORGANIZATION

The Friends of Presqu'ile Park is an incorporated organization whose purpose is to encourage and support interpretive, educational, scientific, historical, protection and preservation programs related to the natural and historical resources of Presqu'ile Provincial Park. The Friends of Presqu'ile Park is a not-for-profit organization and as such is exempt from income taxes.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Revenue Recognition

The Corporation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Revenue is recognized at the time goods are shipped or services are supplied to customers. Provision is made for expected collection losses based on the Corporation's past experience.

Contributed Materials and Services

Contributed materials are recorded at the fair market value of the items contributed on the date of contribution. Due to the difficulty in determining the fair value of volunteer services, contributed services are not recognized in the financial statements.

Inventory

The inventory is valued at the lower of cost and market value with cost being determined on a first-in, first-out basis.

Financial Instruments

The Corporation's cash and investments are initially recognized and subsequently measured at fair market value. All other financial instruments are subsequently measured at amortized cost.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2019**

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Tangible Capital Assets

The Corporation is considered to be a "small organization" for the purposes of the accounting recommendations of the Chartered Professional Accountants of Canada applicable to not-for-profit organizations. Accordingly, tangible capital assets are expensed at the time of purchase. Proceeds of disposition are shown as revenue when an item is sold.

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Items requiring the use of significant estimates include the recording of accrued liabilities. Actual results could differ from those estimates.

3. FINANCIAL INSTRUMENTS

Credit Risk

The Corporation is exposed to credit risk resulting from the possibility that parties may default on their financial obligations. The Corporation's maximum exposure to credit risk represents the sum of the carrying value of its cash, its guaranteed investment certificates and its accounts receivable. The Corporation's cash and guaranteed investment certificates are deposited with a chartered bank and as a result management believes the risk of loss on these items to be remote. As accounts receivable includes accrued interest on investments, management believes that all accounts receivable at year-end will be collected and has not deemed it necessary to establish an allowance for doubtful accounts.

Liquidity Risk

Liquidity risk is the risk that the Corporation cannot meet its commitments when they become due. The Corporation manages this risk by reviewing future cash flow requirements, anticipating investing and financing activities and holding assets that can be readily converted into cash.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

3. FINANCIAL INSTRUMENTS (continued)

Currency Risk

Currency risk refers to the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates.

Substantially all of the Corporation's transactions are in Canadian dollars and as a result the Corporation is not subject to significant currency risk.

Interest Rate Risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

The Corporation's exposure to interest rate risk arises from its interest bearing investments. The Corporation manages this risk by having prudent investment policies.

Other Price Risk

Other price risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market.

The Corporation is exposed to other price risk on its equity investments.

Change in Risk

There have been no significant changes in the Corporation's risk exposures from the prior year.
